

16 mills reported. The range of comments from TPR survey respondents were as follows: ■ Walnut remains strong due to overseas conditions. Our retail sales on kiln dried lumber has improved since Willis went out of business. Building new dryer to meet demand. ■ Wet conditions - limited movement ■ Fair ■ Slow to improving - average stumpage prices - Ash ■ Fair conditions / very little timber movement ■ Hard Maple and Hickory lumber market got better. Timber availability is steady ■ Very few logs moved; too wet ■ No purchases ■ Wet weather helped prices somewhat. Hickory, Ash and Walnut are strong. Red Oak looks like it may be on the way down again ■ Very slow and very wet conditions in NW Ohio ■ Lumber was slow, resulting in more timber availability, therefore, lowering prices of timber ■ Market improving; logging wet ■

This report was funded in part by the Renewable Resources Extension Act.
